Dear Matthew:

Thank you so much for the excellent show you performed on Saturday night. The staff thoroughly enjoyed the performance. I have heard nothing but complements from the staff, and if you make me look good for hiring you all the better.

We are personally holding you accountable for the snow that hasn't stopped falling since your snow trick. Aldergrove Credit Union thanks you for making our evening a success and would happily refer your show to others.

Have a very Merry Christmas and all the best in the New Year.

Yours truly,
