Dear Matthew:

I just wanted to thank you so much for performing at our Staff Christmas Party on November 30<sup>th</sup> 2007. Your unique and original comedy had the entire group laughing. We always find it a challenge to find entertainment for the diverse staffing population at the Developmental Disabilities Association and your show was perfect. The walk around Close up Magic fit the evening well, you were able to entertain small groups and stop for short periods of time for us to do a few speeches and door prize draws. I really appreciated your flexibility and easy going nature leading up to and the night of the event. The feedback I received from the rest of the organizing committee as well as the staff who attended the event was all very positive and it was unanimous that we would like to invite you back for our event next year.

Thank you again for being a huge part of making our event a success.

Sincerely,

A handwritten signature in black ink that reads "Terri Calvert".
