To whom it may concern,

Matthew Johnson performed at an evening event on September 9, 2000 for my company, Eli Lilly Canada Inc., at the new Westin Resort & Spa in Whistler, B.C.

I found Matthew extremely easy to work with and he performed two shows for my customers. His "up-close and wandering" show was very well received as my customers were having a cocktail and mingling. He also provided a Magic and Comedy show that was a huge hit! As I looked around the room, my customers were intently watching Matthew's every move and laughing at each joke! And, because there were many children in the audience, I was also very comfortable with the content of his show.

I would highly recommend Matthew Johnson for any events where you would require a magic show and comedian all in one!

If you have any questions and would like to speak with me directly, please feel free to contact me at 1-800-268-4446, ext. 9774.
