Thank You, Matthew,

For the excellent show you put on for our June 1,2008 'Celebrating Seniors' special event here at Hollyburn House. Our folks are still talking about it! The magic you did as you wandered the foyer amazed each and everyone of our guests and staff. We will most certainly have you back again at the earliest opportunity (the residents are asking when we can have you back again) and if anyone asks for a reference I would be happy to sing your magical praises.

Thanks again,

**Jim Stewart
