HILTON

TO WHOM IT MAY CONCERN

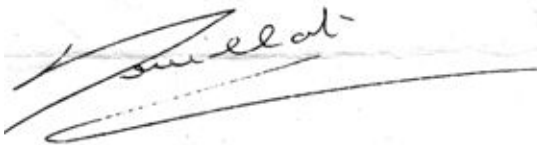

Nagoya, February 6th 1997

This is to confirm that Mr. Matthew Johnson, has been employed by the Nagoya Hilton International from October 7th 1996 to February 6th 1997, as International Magician Entertainer.

Performing daily in the Gallery, the Lobby Lounge of the Hotel, and in our Terrace Brasserie, Mr. Johnson's audience was over 300 daily. His good communication skills and pleasant nature made him quickly popular and attracted a new type of clientele to the Hotel.

His close up magic demonstrations as well as Stage shows were well perceived and he made a point in constantly innovating and updating his knowledge.

It is with no hesitation that I recommend Matthew to future employers and wish him the best in his future assignments.
